The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, circles, and plus signs. Some of the squares are rotated at 45 degrees, while others are axis-aligned. The circles are of different sizes. The plus signs are also of different sizes. The overall effect is a patterned, textured background.

Matchers para Arrays

The background is a solid dark blue color. It is decorated with various light blue geometric shapes scattered across the surface. These shapes include squares (some with smaller squares inside them), circles (some with smaller circles inside them), and plus signs. The shapes are of different sizes and are oriented in various directions, creating a patterned effect.
