

TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed in a non-uniform, random pattern.

Um pouco mais
sobre 'describe'

The background is a solid dark blue color. It is decorated with various light blue geometric shapes scattered across the surface. These shapes include squares (some with smaller squares inside), circles (some with smaller circles inside), and plus signs. The shapes are of different sizes and are rotated at various angles, creating a dynamic and abstract pattern.

`RSpec.describe`

The background is a solid dark blue color. It is decorated with various light blue geometric shapes scattered across the surface. These shapes include squares (some with smaller squares inside them), circles (some with smaller circles inside them), and plus signs. The shapes are of different sizes and are oriented in various directions, creating a patterned effect.
