Jackson Pires

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed throughout the frame, creating a patterned effect.

Matcher output

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed in a non-uniform, decorative pattern.
