

TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares (some with smaller squares inside), circles (some with smaller circles inside), and plus signs. The shapes are of different sizes and are oriented in various directions, creating a patterned effect.

Matchers de Classes / Tipos

The background is black with various green geometric shapes scattered across it. These shapes include circles, squares, diamonds, and plus signs, some of which are hollow and others solid. The shapes are of different sizes and are distributed throughout the frame, creating a patterned effect.
